

# Notice on the Novel Coronavirus Vaccination

**free of charge**

(Fully funded by  
government)

## Vaccination process

We will send you the vaccination coupons and pre-vaccination screening questionnaire, both of which are necessary for COVID-19 (the novel coronavirus) vaccination. Those who would like to be vaccinated are requested to check the following information and make a reservation for vaccination.

※Those who have already received priority vaccinations for medical personnel, etc. are requested to discard them.

※The vaccine will be supplied sequentially so that all those who wish to be vaccinated can receive. Please feel safe and wait.

## 1 Find a medical institution (individual vaccination) or a large-scale vaccination venue

In Adachi City, vaccinations will be conducted at medical institutions where vaccinations are available and at specially set up large-scale vaccination venues.

For more information, please use one of the following methods.

Medical  
institutions where  
vaccination are  
available in Adachi  
City

To be posted on the city website as needed.

Large-scale  
vaccination venues  
in Adachi City

Check the enclosed "List of large-scale vaccination venue against the novel coronavirus". The schedule for October and beyond will be released on the website or in the city newsletter as needed.

City website

Adachi City Corona Vaccine search

※Unless there are special circumstances, vaccinations will be administered in the municipality where your residency is registered as of the vaccination date (place of residence). Please see the reverse side for information on vaccination outside of your place of residence.

## 2 Make a reservation (Reservations are being accepted in order.)

Advance reservation is required for this vaccination.

Medical institutions where vaccination are available in Adachi City.

Please directly contact the medical institution where you want to receive the vaccine.

If you have a duplicate reservation with a large-scale vaccination venue, please cancel the unnecessary reservation.

### Large-scale vaccination venues in Adachi City

#### ① When making a reservation on the Internet (24 hours reception available)

- Scan the two-dimensional code on the right with your smartphone, or make reservation through Adachi City website with your computer. Enter the reservation reception number on the vaccination coupon and your date of birth to make a reservation.

▲ Adachi Corona Vaccine Reservation System

#### ② When making a reservation on the phone (8:00~20:00 reception available)

- Note that reception hours are subject to change.
- Please have the enclosed vaccination coupon ready at hand and call the Adachi City Corona Vaccine Reservation/Consultation Dial and provide the reservation reception number on the vaccination coupon and your date of birth.

※If you call us after deciding the wish date, time, and venue (for two doses) of your choice, it will be easier to make a reservation.

Adachi Corona Vaccine Rsrv./ Consul. Dial

☎ 03-4335-4558

Reception Hours 8:00~20:00 (ava. everyday)

※Reception hours are subject to change.

※Call charges apply.

## 3 Process on the day of vaccination (scheduled for 30 minutes including post-vaccination follow-up observation)

Reception (show Coupon and ID)→Medical interview→Vaccinated→Follow-up observation (about 15minutes) → End

- Things to bring
- Coupon( enclosed in this notice)
  - Screening questionnaire (Fill out one of the two enclosed forms in advance and bring it with you.)
  - Identification documents (one of such as driver's license, health insurance card, my number card, or the like)
  - Indoor shoes (For large-scale vaccination venues)
  - foot bag (to put your shoes in) (For large-scale vaccination venues) ※Because some vaccination venues do not allow the use of shoe rack, you will be requested to carry shoes by yourself.

※Please wear clothes that make it easy to access your shoulders

※Please measure your body temperature at home before the vaccine, and if you have an obvious fever or do not feel well, refrain from getting the vaccine and contact the municipal reservation/consultation dial or medical institution where you made reservation.

※In order to get the full effect of the vaccine, it is necessary to receive two doses of the same type of vaccine at a set interval.

※The enclosed coupons are a combination of "two doses vaccination coupons" and a "certificate of getting vaccinated". Please keep them safe through the end of the second dose.

※Bring this coupon with you each time, and please do not cut them off.

※Please cooperate wearing mask.

## ◎ Matters to be checked on the novel coronavirus vaccine.

• Regarding the novel coronavirus vaccination, read the enclosed "Instructions for the novel coronavirus vaccine" carefully to understand the effects and adverse reactions.

- If you have any concerns about the vaccination, please consult your family doctor beforehand.
- If you are not fully convinced, please do not receive the vaccination.

## ◎ What is a person with an underlying medical condition?

Those who meet any of the following criteria (referred to the contents indicated by the government as of March 19,2021 and subject to change.)

### 1 People with the following illnesses or conditions who receive outpatient or inpatient care.

- |  |  |
|--|--|
| (1) Chronic respiratory disease  | (9) Neurological and neuromuscular diseases associated with immune abnormalities   |
| (2) Chronic heart disease (including hypertension)   | (10) Decreased body functions due to neurological or neuromuscular diseases  |
| (3) Chronic kidney disease   | (11) Chromosomal abnormality   |
| (4) Chronic liver disease (liver cirrhosis, etc.)  | (12) Severe mental and physical disabilities (severe physical disabilities and severe intellectual disabilities)   |
| (5) Diabetes being treated with insulin or medication, or diabetes associated with other diseases          | (13) Sleep apnea syndrome  |
| (6) Blood diseases (excluding iron deficiency anemia)  | (14) Severe mental illness (hospitalized for treatment of mental illness, holding a mental disability certificate or falling under the category of "severe and continuous" |
